NATIONAL LEARNING NETWORK

Is a FREE service for people over 60 years in the North Kerry areas :

**Moyvane, Listowel
Ballydonoghue, Duagh
Causeway/Ballyduff
Ballybunion, Asdee**

**For people who would like a social visit once a week
For people who have no transport, living on their own, isolated
or cannot leave their home due to medical reasons**

NEWKD (North, East & West Kerry Development) has been running the Home Visitation Service project since 2018 in the North Kerry area with Anita Bodenham and Geraldine Kelly as Supervisors and Project Managers. This innovative project run by RSS (Rural Social Scheme), which links isolated people with others socially in their community, has taken on even greater importance in this time of so much uncertainty, during the Covid 19 crisis. This Home Visitation project would not be possible without RSS participants who have been an immense help from the very beginning of this initiative and work tirelessly in the North Kerry area.

NEWKD works closely with the community and runs many projects such as Home Maintenance Services, Meals on Wheels, Senior Alert Scheme. Increasingly the need for home social supports became evident in running these services, as older people were reported suffering loneliness and social contact in their daily lives. Commitment from the HSE Community Work Department and the team of HSE Public Health Nurses (PHNs) is a vital part of the Home Visitation Service initiative as well as support from An Garda Síochána and local groups.

NEWKD/RSS adhere to strict practices and policies as regards to treatment of the older people, their safety and wellbeing. Our work is centered around the community we work with. The Home Visitation project creates stronger links between service users (over 60s) and agencies such as HSE/Public Health Nurses/ Community Work Departments, An Garda Síochána, Meals on Wheels, Local Link and other local services available. This project also relies on help from dedicated volunteers.

NEWKD in turn values and appreciates volunteers, provides induction, training and continuously supports them in their role. Volunteers and RSS participants form an essential part of Home Visitation Service by calling on service users once a week at agreed time to chat to and offer companionship and a listening ear. Home Visitation volunteers are not required to do cleaning, cooking or attend to medical needs etc.; they are there to support and link older people with services that exist in the community, keep a gentle eye on them and making sure they know that someone cares.
