How to renew your Safe Pass

From 23 January 2023, an alternative option for renewing your Safe Pass card will be available. Instead of attending a full day tutor-led training programme, you will have the option to sit a 45-minute computer-based test made up of 50 questions.

How can I apply?

To apply for a renewal test, you need to create a SOLAS account. From 23 January, you can register for a SOLAS account through the [SOLAS website](#) or through the [SOLAS Construction Courses website](#). Once you have created an account, you can apply for a Safe Pass Renewal Test. You will also have access to revision material.

Where can I sit the test?

You can sit the test at one of the 29 designated test centres. You can find a full list of these centres through your online SOLAS account.

You can get more information on the Safe Pass Renewal test in the [SOLAS FAQ document \(docx\)](#).

The **Kerry ETB Mentor Project** is a mentoring service **FOR** young people.

We provide an independent service - which means that we do not recruit for any programme, course, training provision, etc.

We provide mentoring which has a progression focus - which means that we work with you to help you make the best plan for your future.

We provide mentoring with each young person on a case by case basis and so your plan will be different to anyone else's.

If you would like some support moving forward, if you feel you are stuck, or if you just need a little help trying to make decisions on what to do next, please contact us.

This is a **FREE & CONFIDENTIAL** service.

"The delicate balance of mentoring someone is not creating them in your own image, but giving them the opportunity to create themselves."
