BUSINESS SUPPORT UNIT

The Business Support Unit was established in 2020 with the objective of helping Kerry get back to work post Covid-19. It aims to equip employees with the skills to progress in their current job, or to take advantage of new job opportunities.

We engage with businesses in Kerry to build relationships and help to identify their training needs. We help employers to invest in their workforce, creating bespoke training programmes where required. We offer a wide range of accredited and non-accredited training, which can be utilised by employers to train or up-skill their employees.

If you are a business owner, manager or employee and wish to avail of upskilling opportunities, contact Claire in the Business Support Unit.

The **Kerry ETB Mentor Project** is a mentoring service **FOR** young people.

We provide an independent service - which means that we do not recruit for any programme, course, training provision, etc.

We provide mentoring which has a progression focus - which means that we work with you to help you make the best plan for your future.

We provide mentoring with each young person on a case by case basis and so your plan will be different to anyone else's.

If you would like some support moving forward, if you feel you are stuck, or if you just need a little help trying to make decisions on what to do next, please contact us.

This is a **FREE & CONFIDENTIAL** service.

Volunteering Opportunities

Volunteer to increase your chances of employment! On the path to finding a job, why not consider volunteering? Your jobseekers allowance will not be affected if you volunteer, as long as you remain available to take up paid employment. To find out more, contact Linda, the Placement Officer, at Kerry Volunteer Centre on 066-7117966, email linda@volunteerkerry.ie or visit our website www.volunteerkerry.ie

Please note that it is important to seek approval for volunteering by contacting your Deciding Officer.
