The Kerry ETB Mentor Project is a mentoring service **FOR** young people.

We provide an independent service - which means that we do not recruit for any programme, course, training provision, etc.

We provide mentoring which has a progression focus - which means that we work with you to help you make the best plan for your future.

We provide mentoring with each young person on a case by case basis and so your plan will be different to anyone else's.

If you would like some support moving forward, if you feel you are stuck, or if you just need a little help trying to make decisions on what to do next, please contact us.

This is a **FREE & CONFIDENTIAL** service.

"The delicate balance of mentoring someone is not creating them in your own image, but giving them the opportunity to create themselves."
