The Access Office promotes access to MTU for groups who are under-represented in higher education. This includes students with physical and sensory disabilities, mental health and significant ongoing health conditions; students who are experiencing social and economic barriers to access, mature students, Traveller & Roma students and ethnic minority students. The Access Office also provides support and information to students on financial supports, bursaries and scholarships.

The following drop-in sessions will operate throughout the day:

- Higher Education Access Route (HEAR) Room T108, Business/IT Building.
- Students with Learning Difference: Room T110, Business/IT Building.
- Access and Disability: Room T106, Business/IT Building.

### Admissions

The admissions office is located at the entrance to the Business/IT Building and staff will be available throughout open day to discuss any queries you may have about the CAO process.

### Sports Scholarships

Come and talk to our sports office who will be located in the student experience area in R Block, Business/IT Building.

Open Day is structured to help you to get the most from your visit to MTU Kerry Campus. This programme contains a full schedule of talks, tours and events. Here are some hints to help you make the most from the day.

- Does this course fit an interest I have in my interests or career plan?
- What are the entry requirements for the course I am interested in?
- What financial support is available to students?
- How can I get involved with sport at MTU Kerry Campus?
- Where do students live and what are the accommodation costs?
- Can I spend time abroad?
- Is there a work placement in my course?
- What can I do during my spare time?

Staff and students will be available all day to answer your questions. Ask them about programs, facilities or campus life.

Don't miss these presentations, displays and interactive activities. These will help you to learn more about the detail of programmes and other aspects of student life at MTU Kerry Campus. Most sessions are very popular so we advise you to plan ahead and arrive early. Please note places are limited on some demos and will be booked in advance - see details on the workshops and seminars section.

Tours of the North Campus will run approximately every 15 minutes from 11am to 12.30pm departing from the foyer of the Business & IT Building.
