The **Kerry ETB Mentor Project** is a mentoring  
service **FOR** young people.

We provide an independent service - which means that  
we do not recruit for any programme, course, training  
provision, etc.

We provide mentoring which has a progression focus -  
which means that we work with you to help you make  
the best plan for your future.

We provide mentoring with each young person on a  
case by case basis and so your plan will be different to  
anyone else's.

If you would like some support moving forward,  
if you feel you are stuck, or if you just need a little  
help trying to make decisions on what to do next,  
please contact us.

This is a **FREE & CONFIDENTIAL** service.

*"The delicate balance of mentoring  
someone is not creating them in  
your own image, but giving them the  
opportunity to create themselves."*

— Steven Spielberg
