## **SEMI Project**

We hope this message finds you well. We at NEWKD are writing to inform you of an important development regarding the SEMI PROJECT (-Social Enterprise Migrant Integration Programme)

We regret to announce that the Semi Project will be concluding its operations effective 29th March 2024.

It is with mixed emotions that we announce the conclusion of the Semi Project. It has been an absolute privilege to provide support, resources, and advocacy for migrants within our community over the past few years.

However, due to various factors including funding constraints, we have had to discontinue the program. We want to express our sincere gratitude to all those who have been involved in this important endeavour, including volunteers, staff members, partner organizations, and most importantly, clients themselves.

While this program may be coming to an end, NEWKD's commitment to supporting migrants and promoting inclusivity remains unwavering. We will continue to explore new avenues and opportunities to address the needs of migrants and ensure their rights are respected and upheld.

If you have any questions or concerns regarding the conclusion of the Semi Project, please do not hesitate to reach out to us

Thank you once again for your support and dedication throughout this journey.

Best regards, Pat O Donovan, Magdalena Krupka and Joanna Jankowska
