SWE manufactures a range of products including Exo-cover access covers, rotating scraper/clarifier equipment, coarse screens and other specialist products for the water sector. SWE also acts as a specialist structural and mechanical contractor, fabricating and installing bespoke structural steelwork, stainless steel, pipework and mechanical equipment for Tier 1 contractors nationwide.

The Role

This exciting role is to plan, coordinate and project manage site-based projects nationwide, including liaising with clients, preparation of method statements, ordering materials and organising work crews. This is an excellent opportunity for the right candidate to work on their own initiative in a busy and expanding manufacturing business.

Responsibilities

- Coordinate production, client delivery and site installation schedules.
- Management of site supervisors including assisting with planning and allocating labour resources.
- Ensuring required plant and equipment is allocated to each project.
- Preparing weekly works schedule for site crews.
- Preparation of and ensuring compliance with safety requirements including RAMS, SPAs ensuring safe work practices.
- Ensuring compliance with company quality procedures and record keeping.
- Obtain material quotations, evaluate against budget and complete material requisitions.
- Maintenance of site records including materials, plant and labour allocations.

Skills Requirements

- Leadership skills
- Teamwork skills
- Problem-solving skills
- Proficient in Outlook, Word and Excel
- Strong analytical skills
- Strong written and verbal communication skills

Qualifications & Experience

- Trade qualification or relevant degree.
- Experience level: open to intermediate or senior role. Salary will be dependent on experience.

Package

- A top package is on offer to the right candidate – flexible depending on experience.
- Exciting long-term role within an industry-leading engineering company.

Accounting Technician

INTRODUCTION

This course is geared towards applicants who are looking to develop a professional career in accounting. Accounting Technician Apprentices work four days a week with the employer and study one day a week with the college on a two-year contract.

It is a two year paid apprenticeship which combines 'on-the-job' work experience with academic study.

ENTRY REQUIREMENTS

Applications have to be made directly to ATI at www.accountingtechniciansireland.ie

School-leavers should have a Leaving Certificate with pass grades in:

• Five ordinary level subjects (including an O6 in English and Maths or Accountancy) or

• Two ordinary level and two higher level subjects (including an O6 in English and Maths or Accountancy) or

• Applied Leaving Certificate applicants should contact the Student Services Team on 01 648 8160 for further information.

Mature & Prior learners who have reached 21 years of age but do not possess the minimum educational requirements may still apply to do the course based on age, experience or a nationally recognised qualification such as a QQI award.

Note: it is at the employer's discretion to enhance the entry criteria for selection. An offer of a place on this course is contingent on the applicant meeting the entry requirements set out here and being offered an apprenticeship contract by a registered employer.

CERTIFICATION

• Participants graduate as fully qualified Accounting Technicians, with a QQI Level 6 Advanced Certificate Award, ATI x IACT Excel certification.

WORK PLACEMENT/EXPERIENCE

• Students will work at their employer's office for four days per week. The employer led recruitment process is organised and managed by ATI.

Auctioneering & Property Services

INTRODUCTION

This is a two year apprenticeship programme aimed at school leavers, mature applicants and existing employees who are considering a career as a PSRA licensed auctioneering and property services professional. Participants work four days per week with an auctioneer, estate agent, property management or property letting business while paid by the employer, and attend classes in the college one day per week over two academic years. Applications should be made on the college online application system.

ENTRY REQUIREMENTS

The minimum entry requirements are as follows:

• Leaving Certificate Grade O6/H7 or above in 5 leaving certificate subjects or equivalent or

• A full QQI Level 5 or Level 6 Certificate in a Business Discipline or equivalent or

• Other relevant experience/employment (3 years) having reached the age of 19. Adjudicated on a case by case basis.

An offer of a place on this course is contingent on the applicant meeting the entry requirements, eligibility interview and being offered an apprenticeship contract by a registered employer following an interview process.

CERTIFICATION

• On successful completion of the apprenticeship, participants will receive a QQI Level 6 Advanced Certificate in Auctioneering and Property Services. Successful students are eligible to apply for a PSRA licence (all four categories). They can apply for Associate membership with SCSi and/or student membership of IPAV.

WORK PLACEMENT/EXPERIENCE

• Students will work with their employer for four days per week.

EDUCATION PROGRESSION OPPORTUNITIES

The following progression routes have been discussed by CDTEB with SCSi and TU Dublin:

On completion of the apprenticeship programme, learners may be eligible to apply for year 2 of the following degree courses:

• BSc (Hons) Property Studies (Part-time), SCSi/TU Dublin.

• BSc (Ord) Auctioneering, Valuation and Estate Agency (Full-time) TU Dublin.

• BSc (Hons) Property Economics (Full-time) TU Dublin.

Note: The above progression opportunities are not yet finalised with SCSi/TU Dublin.

CAREER OPPORTUNITIES

On successful completion of the apprenticeship, one can apply for a PSRA licence and be employed in a range of roles in auctioneering, estate agency and property management organisations. A person may also decide to do further study with a view to specialise.

Liebherr Scholarship Programme

LIEBHERR

Apply Now - Closing 31st May

Liebherr Scholarship Programme 2024

Leaving Certificate students and current third-level degree students are now invited to apply for the Liebherr Scholarship Programme. Qualifying courses include mechanical engineering, electrical engineering, structural engineering, mechatronics, automation, business information systems, computer science, software development, and data analytics.

Benefits

Scholarship recipients will have their college fees paid for the duration of their course and will have the additional benefits of being able to complete work experience during summer vacations and college placements throughout the course terms. The Liebherr Scholarship Programme provides a unique opportunity for **recent Leaving Certificate students and existing college students** to gain a 3rd level qualification, practical experience and the opportunity to continue employment with Liebherr on graduation.

How to apply

Interested candidates should apply by email to scholarshiprecruit.lcc@liebherr.com. Applicants should include a CV detailing Leaving Certificate/Junior Certificate/college projects and/or results and a cover letter explaining why they have chosen

their specific career path. In the case of Leaving Certificate applicants, a copy of their completed CAO form showing their choice of course should be included.

The closing date is **Friday the 31st of May 2024**.

To find out more and discover career opportunities with Liebherr, find Liebherr Container Cranes on LinkedIn, Facebook and Instagram.

Scholarship recipients enjoy

- Course fees paid
- Summer work
- Work placements
- Individual mentoring
- Graduate positions
