- Sometimes jobs do not always come up when you search by a specific **location** e.g., Tralee, so it's best to just enter Kerry
- Make sure to select 'Community Employment Programme' under **vacancy type**

The screenshot shows the Jobs Ireland website search interface. At the top left is the logo for Jobs Ireland, with the tagline 'Connecting Employers and Jobseekers'. To the right of the logo are navigation links for 'Jobseekers', 'Employers', and 'About'. A 'Login or Register' button is located in the top right corner. Below the navigation is a breadcrumb trail: 'Home > Jobseekers > Search for your next job'. The main search area is titled 'Search for your next job' and contains three input fields: 'Keyword' (with a placeholder 'Keywords e.g. (Nurse)'), 'Location' (with a placeholder 'Location'), and 'Vacancy Type' (with a dropdown menu set to 'All'). A magnifying glass icon is on the left, and a blue arrow button is on the right to submit the search.

The **Kerry ETB Mentor Project** is a mentoring service **FOR** young people.

We provide an independent service - which means that we do not recruit for any programme, course, training provision, etc.

We provide mentoring which has a progression focus - which means that we work with you to help you make the best plan for your future.

We provide mentoring with each young person on a case by case basis and so your plan will be different to anyone else's.

If you would like some support moving forward, if you feel you are stuck, or if you just need a little help trying to make decisions on what to do next, please contact us.

This is a **FREE & CONFIDENTIAL** service.

"The delicate balance of mentoring someone is not creating them in your own image, but giving them the opportunity to create themselves."
