FOOD WASTE MANAGEMENT FOR YOUR BUSINESS

It's estimated that the Irish food service sector wastes 175,000 tonnes of food per year (epa.ie)

What is food waste costing you? One 140 litre wheelee bin of food waste typically weighs ~85 kg. If you have one of these a week it could be costing you: 85 kg/week @ €2.90/kg for 52 weeks = approx €13,000 per year.
**€2.90/kg national average of buying, storing and wasting*

How much of this food is unavoidable waste? 66%

The [Reducing Commercial Food Waste in Ireland report](#) published in 2019, found that over 66% of food waste from the food services sector is avoidable (i.e. edible food). Which means you could reduce your overall food purchasing and disposal costs from €13,000 to €4,290.

We want to learn more about food waste on the Peninsula and come up with our own solutions

Help us understand the food waste in your business and on the peninsula. As a tourism town our food waste We want to know what is the unserved, prep and uneaten waste. This will help save you money and energy consumption in food production and transport.

Next Steps:

-  Send one year's annual food waste bills to ann@dinglehub.com and allow us to benchmark the waste on the peninsula.
-  Help us build a food waste management platform but logging your food waste through Engaged app and calculating how much it's costing your business per plate.

Using the data we will host a food waste workshop in October 2025.

HAVE YOU CONSIDERED VOLUNTEERING?

Did you know that Volunteering is a powerful way to enhance your employability? Whether you're looking to transition into a new career, fill gaps in employment, or simply gain new experiences, volunteering can be a strategic step in advancing your career prospects.

It is well worth considering volunteering as a medium to gain new skills and nurture exiting skills. Moreover, it can make your C.V. stand and shows employers that you are proactive, committed, and willing to contribute to your community, qualities that are attractive in any candidate.

Your jobseekers allowance will not be affected if you volunteer, as long as you remain available to take up paid employment. Please note, it is important to seek approval for volunteering by contacting your Deciding Officer via your local Intreo Centre.

Kerry Volunteer Centre can help you to explore volunteering options that suit your interests, time and preferences. Feel free to reach out to Linda, the Placement Officer at Kerry Volunteer Centre on 066 7117966, email linda@volunteerkerry.ie or visit our website www.volunteerkerry.ie
