The **Kerry ETB Mentor Project** is a mentoring service **FOR** young people.

We provide an independent service - which means that we do not recruit for any programme, course, training provision, etc.

We provide mentoring which has a progression focus - which means that we work with you to help you make the best plan for your future.

We provide mentoring with each young person on a case by case basis and so your plan will be different to anyone else's.

If you would like some support moving forward, if you feel you are stuck, or if you just need a little help trying to make decisions on what to do next, please contact us.

This is a **FREE & CONFIDENTIAL** service.

## HAVE YOU CONSIDERED VOLUNTEERING?

Did you know that Volunteering is a powerful way to enhance your employability? Whether you're looking to transition into a new career, fill gaps in employment, or simply gain new experiences, volunteering can be a strategic step in advancing your career prospects.

It is well worth considering volunteering as a medium to gain new skills and nurture exiting skills. Moreover, it can make your C.V. stand and shows employers that you are proactive, committed, and willing to contribute to your community, qualities that are attractive in any candidate.

Your jobseekers allowance will not be affected if you volunteer, as long as you remain available to take up paid employment. Please note, it is important to seek approval for volunteering by contacting your Deciding Officer via your local Intreo Centre.

Kerry Volunteer Centre can help you to explore volunteering options that suit your interests, time and preferences. Feel free to reach out to Linda, the Placement Officer at Kerry Volunteer Centre on 066 7117966, email [linda@volunteerkerry.ie](mailto:linda@volunteerkerry.ie) or visit our website [www.volunteerkerry.ie](http://www.volunteerkerry.ie)
