The Social Inclusion and Community Activation Programme (SICAP) is co-funded by the Irish Government, through the Department of Rural and Community Development, and the European Social Fund under the Employment, Inclusion, Skills and Training (EIST) Programme 2021 - 2027.

Rural Social Scheme

The Rural Social Scheme (RSS) provides an additional income for low-income farmers in receipt of certain Social Welfare payments.

The aim of the RSS is to utilise the skills and knowledge of the local farming community in the development of local amenities, facilities and services.

The Rural Social Scheme is primarily aimed at the farmer in the household, however a spouse/civil partner/cohabitant, brother, sister, adult son or adult daughter of the farmer may instead be eligible for participation on the scheme.

To participate on the RSS a person must be:

- In receipt of a means tested Department Of Employment Affairs and Social Protection (DEASP) payment for example Farm Assist/Fish Assist or Jobseekers Allowance.
- Aged 25 or over
- The household must hold a Herd Number and be in receipt of an EU Basic Income Support for Sustainability Scheme (BISS) and also meet the criteria for either a self-employed farmer or fisherman/woman.

RSS participants are contracted to work 19.5 hours per week. Each participant is subject to normal income tax and also benefits from making a PRSI Class A contribution.

Community Groups are you interested in availing of the Rural Social Scheme?

Works carried out in communities include:

- Maintenance of waymarked ways, agreed walks and bog roads;
- Village and countryside enhancement projects;
- Maintenance and caretaking of community and sporting activities;
- Community administration/clerical duties;
- Social care and care of the elderly, community care for both pre-school and after-school groups;

The **Kerry ETB Mentor Project** is a mentoring service **FOR** young people.

We provide an independent service - which means that we do not recruit for any programme, course, training provision, etc.

We provide mentoring which has a progression focus - which means that we work with you to help you make the best plan for your future.

We provide mentoring with each young person on a case by case basis and so your plan will be different to anyone else's.

If you would like some support moving forward, if you feel you are stuck, or if you just need a little help trying to make decisions on what to do next, please contact us.

This is a **FREE & CONFIDENTIAL** service.

HAVE YOU CONSIDERED VOLUNTEERING?

Did you know that Volunteering is a powerful way to enhance your employability? Whether you're looking to transition into a new career, fill gaps in employment, or simply gain new experiences, volunteering can be a strategic step in advancing your career prospects.

It is well worth considering volunteering as a medium to gain new skills and nurture exiting skills. Moreover, it can make your C.V. stand and shows employers that you are proactive, committed, and willing to contribute to your community, qualities that are attractive in any candidate.

Your jobseekers allowance will not be affected if you volunteer, as long as you remain available to take up paid employment. Please note, it is important to seek approval for volunteering by contacting your Deciding Officer via your local Intreo Centre.

Kerry Volunteer Centre can help you to explore volunteering options that suit your interests, time and preferences. Feel free to reach out to Linda, the Placement Officer at Kerry Volunteer Centre on 066 7117966, email linda@volunteerkerry.ie or visit our website www.volunteerkerry.ie
