Our Lady of Fatima Home is a private not-for-profit nursing home in Tralee founded by the Dominican Sisters for the purpose of providing residential care for older people, those with illness, and those requiring palliative care. We are a 68-bed home, offering a calm, dignified, and supportive environment just moments from Tralee town centre.

We are now seeking an experienced and dynamic General Manager to lead our operations, working in close partnership with our Director of Nursing to ensure the highest standards of care and service delivery.

Your role will be to:

- Oversee financial and operational performance through effective budget management, workforce planning, and efficient resource allocation.
- Provide visible, hands-on leadership across the home, motivating teams, supporting development, and fostering a positive, inclusive working environment.
- Drive service improvement and implement operational and strategic initiatives that enhance resident care and organisational performance.
- Report regularly to the Board of Management (BOM) on key performance indicators as defined by the BOM.
- Keep the BOM apprised of any significant development(s) within the home.
- Support and maintain an environment which reflects the Dominican Sisters' ethos, ensuring that compassion, dignity, and respect remain at the heart of everything we do.

In addition you will take direct responsibility for non-clinical aspects of the home management such as:

- Operations, Facilities and Housekeeping
- Catering, Nutrition and Kitchen Management (including HACCP)
- Human Resources and Administration
- Front-of-House and Resident Experience

Who are we looking for?

- The ideal candidate will be a proactive, hands-on leader with a proven track record in operational management.

The **Kerry ETB Mentor Project** is a mentoring service **FOR** young people.

We provide an independent service - which means that we do not recruit for any programme, course, training provision, etc.

We provide mentoring which has a progression focus - which means that we work with you to help you make the best plan for your future.

We provide mentoring with each young person on a case by case basis and so your plan will be different to anyone else's.

If you would like some support moving forward, if you feel you are stuck, or if you just need a little help trying to make decisions on what to do next, please contact us.

This is a **FREE & CONFIDENTIAL** service.

"The delicate balance of mentoring someone is not creating them in your own image, but giving them the opportunity to create themselves."

HAVE YOU CONSIDERED VOLUNTEERING?

Did you know that Volunteering is a powerful way to enhance your employability? Whether you're looking to transition into a new career, fill gaps in employment, or simply gain new experiences, volunteering can be a strategic step in advancing your career prospects.

It is well worth considering volunteering as a medium to gain new skills and nurture exiting skills. Moreover, it can make your C.V. stand and shows employers that you are proactive, committed, and willing to contribute to your community, qualities that are attractive in any candidate.

Your jobseekers allowance will not be affected if you volunteer, as long as you remain available to take up paid employment. Please note, it is important to seek approval for volunteering by contacting your Deciding Officer via your local Intreo Centre.

Kerry Volunteer Centre can help you to explore volunteering options that suit your interests, time and preferences. Feel free to reach out to Linda, the Placement Officer at Kerry Volunteer Centre on 066 7117966, email linda@volunteerkerry.ie or visit our website www.volunteerkerry.ie
